30.10 **8210.2600 REPLACEMENT BALLOTS.**

30.11 Subpart 1. **Voter request.** The auditor or clerk must promptly provide a replacement
30.12 ballot to a voter who requests one because the voter's ballot was lost, spoiled, or never

47.4 Instructions to Voters.

47.5 You are only allowed to voter for the candidates of one political party for partisan
47.6 offices in a primary election. On this screen you will select a political party. No record
47.7 will be made of your political party choice. Your selection will only be used to direct you
47.8 to the proper ballot information. You will only hear the names of candidates who are with
47.9 the political party you choose. To hear the names of candidates in other political parties,
47.10 use the left arrow button until you get to a screen called "Select a Political Party." Then
47.11 choose a different political party."

47.23 Subp. 3. **Brand name.** The brand name of the ballot marking device may be
47.24 substituted for the words "the ballot marking device" and "this ballot marking device"
47.25 throughout the instructions.

47.26 **8230.0560 BALLOTS.**

48.1 Ballots must meet or exceed the specifications the equipment manufacturer has filed

48.3 supply to the ballot printer the equipment manufacturer's recommended standards and
48.4 specifications for ballot printing.

48.5 The ballots must be stored in a manner to protect against moisture.

48.6 The local election official must certify to the county auditor the number of ballots
48.7 received for each ballot style. The local election official or county auditor shall package
48.8 the ballots for each precinct in groups of 25, 50, or 100 and seal or place the ballots into a
48.9 package or transfer case. The package or transfer case must contain a certificate stating the
48.10 number of ballots it contains. All ballots not issued to a precinct or assigned for absentee
48.11 voting must be secured and accounted for by the official conducting the election. The
48.12 official conducting the election must maintain a record of the number of ballots issued to
48.13 each precinct. The ballots must be delivered to the chief election judge of each precinct.

48.14 **8230.1450 USE OF STICKERS PROHIBITED.**

48.20 Subp. 5. **Opening ballot box during voting hours.** Two election judges of different
48.21 political parties may open the ballot boxes on election day to straighten or remove the
48.22 voted ballots but they shall not count or inspect the ballots. If removing ballots, the
48.23 election judges shall put the ballots taken from the ballot box's main compartment into
48.24 containers and seal them. The judges shall put the ballots taken from the ballot box's
48.25 write-in compartment into containers separate from the other ballots and seal them. The

48.26 judges shall label the ballot containers and store them in a secure location. The judges
49.1 shall note on the incident report the fact that the ballot box was opened, the time the box
49.2 was opened, and, if applicable, the numbers of any seals used to seal the ballot containers.

49.3 [For text of subp 6, see M.R.]

49.4 **8235.0200 AUTOMATIC AND DISCRETIONARY RECOUNTS.**

49.5 This chapter establishes procedures for the conduct of all automatic and discretionary
49.6 recounts provided for in Minnesota Statutes, sections 204C.35 and 204C.36. The secretary
49.7 of state or secretary of state's designee is the recount official for recounts conducted by the
49.8 State Canvassing Board. The county auditor or auditor's designee is the recount official
49.9 for recounts conducted by the county canvassing board. The county auditor or auditor's
49.10 designee shall conduct recounts for county offices. The municipal clerk or clerk's designee
49.11 is the recount official for recounts conducted by the municipal governing body. The school
49.12 district clerk or clerk's designee is the recount official for recounts conducted by the
49.13 school board, or by a school district canvassing board as provided in Minnesota Statutes,
49.14 section 205A.10, subdivision 5. A recount official may delegate the duty to conduct a
49.15 recount to a county auditor or municipal clerk by mutual consent. When the person who
49.16 would otherwise serve as recount official is a candidate or is the spouse, child, parent,
49.17 grandparent, grandchild, stepparent, stepchild, sibling, half-sibling, or stepsibling of a
49.18 candidate for the office to be recounted, the appropriate canvassing board shall select a
49.19 county auditor or municipal clerk from another jurisdiction to conduct the recount. "Legal
49.20 adviser" means counsel to the recount official and the canvassing board for the office being
49.21 recounted. The scope of an automatic or discretionary recount is limited to the recount of
49.22 the ballots cast and the declaration of the person nominated or elected. The ballots in the
49.23 envelope labeled "Original ballots from which duplicates are to be or were made" are not
49.24 within the scope of the recount and this envelope must not be opened during the recount.

49.25 **8235.0400 SECURING BALLOTS AND MATERIALS.**

50.1 The official who has custody of the voted ballots is responsible for keeping secure all
50.2 election materials. Registration cards of voters who registered on election day may be
50.3 processed as required by part 8200.2700. All other election materials must be kept secure
50.4 by precinct as returned by the election judges until all recounts have been completed and
50.5 until the time for contest of election has expired.

50.6 **8235.0600 FACILITIES AND EQUIPMENT.**

50.7 All recounts must be accessible to the public. In a multicounty recount the secretary
50.8 of state may locate the recount in one or more of the election jurisdictions or at the site of
50.9 the canvassing board. Each election jurisdiction where a recount is conducted shall make
50.10 available without charge to the recount official or body conducting the recount adequate
50.11 accessible space and all necessary equipment and facilities.

50.12 **8235.0700 GENERAL PROCEDURES.**

50.13 At the opening of a recount the recount official or legal adviser shall present the
50.14 procedures contained in this rule for the recount. The custodian of the ballots shall make
50.15 available to the recount official the precinct summary statements, the precinct boxes
50.16 or the sealed containers of voted ballots, and any other election materials requested
50.17 by the recount official. The containers of voted ballots must be unsealed and resealed
50.18 within public view. No ballots or election materials may be handled by candidates, their
50.19 representatives, or members of the public. The recount official shall arrange the counting
50.20 of the ballots so that the candidates and their representatives may observe the ballots as
50.21 they are recounted. Candidates may each have one representative observe the sorting
50.22 of each precinct. One additional representative per candidate may observe the ballots
50.23 when they have been sorted and are being counted pursuant to part 8235.0800, subpart 2.
50.24 Candidates may have additional representatives in the public viewing area of the room. If
50.25 other election materials are handled or examined by the recount officials, the candidates
50.26 and their representatives may observe them. The recount official shall ensure that public

51.1 observation does not interfere with the counting of the ballots. The recount official shall
51.2 prepare a summary of the recount vote by precinct.

51.3 **8235.0800 COUNTING AND CHALLENGING BALLOTS.**

51.4 Subpart 1. **Sorting ballots.** Ballots must be recounted by precinct. The recount
51.5 official shall open the sealed container of ballots and recount them in accordance with
51.6 Minnesota Statutes, section 204C.22. The recount official must review each ballot and sort
51.7 the ballots into piles based upon the recount official's determination as to which candidate,
51.8 if any, the voter intended to voter for. During the sorting, a candidate or candidate's
51.9 representative may challenge the ballot if he or she disagrees with the recount official's
51.10 determination of for whom the ballot should be counted and whether there are identifying
51.11 marks on the ballot. At a recount of a ballot question, the manner in which a ballot is
51.12 counted may be challenged by the person who requested the recount or that person's
51.13 representative. Challenges may not be automatic or frivolous and the challenger must
51.14 state the basis for the challenge. A challenge is frivolous if it is based upon an alleged
51.15 identifying mark other than a signature or an identification number written anywhere on
51.16 the ballot or a name written on the ballot completely outside of the space for the name
51.17 of a write-in candidate.

51.18 Subp. 2. **Counting ballots.** Once ballots have been sorted, the recount officials
51.19 must count the piles using the stacking method described in Minnesota Statutes, section
51.20 204C.21. A candidate or candidate's representative may immediately request to have a pile
51.21 of 25 counted a second time if there is not agreement as to the number of votes in the pile.

51.22 Subp. 3. **Reviewing and labeling challenged ballots.** After the ballots from a
51.23 precinct have been counted, the recount official may review the challenged ballots with
51.24 the candidate or the candidate representative. The candidate representative may choose
51.25 to withdraw any challenges previously made. The precinct name, the reason for the
51.26 challenge, and the name of the person challenging the ballot (or the candidate that person

52.1 represents), and a sequential number must be marked on the back of each remaining
52.2 challenged ballot before it is placed in an envelope marked "Challenged Ballots." After
52.3 the count of votes for the precinct has been determined, all ballots except the challenged
52.4 ballots must be resealed in the ballot envelopes and returned with the other election
52.5 materials to the custodian of the ballots. The recount official may make copies of the
52.6 challenged ballots. After the count of votes for all precincts has been determined during
52.7 that day of counting, the challenged ballot envelope must be sealed and kept secure for
52.8 presentation to the canvassing board.

52.9 **8240.1655 QUALIFICATIONS FOR TRAINEE ELECTION JUDGES.**

52.10 [For text of subps 1 and 2, see M.R.]

52.11 Subp. 3. **Qualifications.** A trainee election judge must be a United States citizen,
52.12 must be at least 16 years of age, and must meet any residency requirement specified
52.13 in Minnesota Statutes, section 204B.19, subdivision 6. Trainee election judges must
52.14 provide certification from their school that they are enrolled in a Minnesota high school,
52.15 and are performing at an academic level acceptable to the principal of the trainee's high
52.16 school. A trainee election judge who is home-schooled must provide certification from the
52.17 trainee's parent that the trainee is performing at an academic level acceptable to serve as
52.18 a trainee election judge.

52.22 Subp. 2. **Ballot heading.** The words "CITY QUESTION BALLOT" or "TOWN
52.23 QUESTION BALLOT" must be printed at the top of the ballot in upper case letters. The
52.24 municipal clerk may add the type of election directly above the date on the blue ballot.
52.25 The following words must be printed directly under the ballot heading, municipality

53.1 name, election type, and election date. "To vote for a question, put an (X) in the square
53.2 next to the word "YES" on that question. To vote against a question, put an (X) in the
53.3 square next to the word "NO" on that question."

53.4 When more than one municipal question is on the ballot, each municipal ballot
53.5 question must be designated by a number and must be preceded by the words "CITY
53.6 QUESTION" or "TOWN QUESTION" in upper case letters and the number assigned
53.7 to the question. The municipal clerk or municipal governing body shall provide a title
53.8 for each municipal question printed on the blue ballot. The title must not contain more
53.9 than ten words. The municipality's attorney shall review the title to determine whether
53.10 it accurately describes the question asked. The title must not be used on the ballot until
53.11 it has been approved by the municipality's attorney. The title must be printed in upper
53.12 case letters and must be printed above the question to which it refers. The body of the
53.13 question must be printed in upper and lower case letters.

53.14 **8250.1600 APPLICABILITY.**

54.1 Each ballot must have printed on it both the name of the precinct and an electronically
54.2 readable precinct identifier or ballot style indicator. A ballot style used in more than one
54.3 precinct may have the names of all precincts in which it is used printed on the ballot. If
54.4 multiple ballots styles are to be used in the same precinct for precincts split by school
54.5 districts, each ballot style must include the precinct name and applicable school district

54.19 D. If a partisan primary ballot also includes a nonpartisan primary section
54.20 on the same side of the ballot, a bold line must divide the partisan section of the ballot
54.21 from the nonpartisan section of the ballot.

54.22 E. If a partisan primary ballot has political party columns on both sides of the
54.23 ballot, the instruction in subpart 13 for two-sided ballots must not be used on the ballot.

54.25 ballot, the instructions to voters must include a statement that reads substantially as

55.1 follows: "THIS BALLOT CARD CONTAINS A PARTISAN BALLOT AND A
55.2 NONPARTISAN BALLOT. ON THE PARTISAN BALLOT YOU ARE PERMITTED
